Brasilia, Brazil, 5 – 8 June 2006

**Publications on Management of RFMOs, IUU, Pollution
and FOCS**

Author: Secretariat

Publications on Management of RFMOs, IUU, Pollution and FOCS

The following publications provide information on stopping illegal fishing on the high seas(IUU), the effects of pollution; best practice in fisheries management organisations; and on how flags of convenience(FOCS) provide cover for illegal, unreported and unregulated fishing is available from the following publications:

‘Closing the Net – Final report of the Ministerially-led task force on IUU Fishing on the high seas’ available on the internet at http://www.high-seas.org/doc/HSTFfinal/HSTFfinal_web.pdf

‘The Changing Nature of High Seas Fishing – How flags of convenience provide cover for illegal, unreported and unregulated fishing’ available on the internet at <http://www.wwf.org.uk/filelibrary/pdf/flagsofconvenience.pdf>

‘Follow the Leader – Learning from experience and best practice in regional fisheries management organisations’ available on the internet at <http://assets.panda.org/downloads/rfmoreport06.pdf>

‘More Troubled Waters – fishing, pollution and FOCS’ available on the internet at http://www.itfglobal.org/publications/pdf/more_troubled_waters.pdf

Executive summaries of the publications are attached.
