Following discussions at The Fourteenth Meeting of the Advisory Committee (AC14), the Eighth Session of the Meeting of the Parties (MoP8) endorsed a revised ACAP Engagement Strategy with Regional Fisheries Management and Conservation Organisations (RFMCO) ([MoP8 Doc 24](#), available in Spanish [[RdP Doc 24](#)], and French [[RdP Doc 24](#)]).

The Strategy sets out targeted outcomes for each RFMCO and the priority actions required to achieve them. [Joint SBWG13/PaCSWG9 Doc 12](#) reports on how ACAP delivered against the agreed priority actions over the 2023-2025 triennium.
